

## **DJ Mix Academy Announces New Boston Classroom Location** *Mass Muzik and the DMA Partner to Offer DJ Classes*

### **FOR IMMEDIATE RELEASE**

**TYNGSBORO, MASSACHUSETTS, USA – June 12, 2006** – The DJ Mix Academy (DMA), America's DJ instruction innovator, announced today their new classroom location in Boston. Students can now take DMA's sessions, workshops, programs, and courses at Mass Muzik, located at 49 Massachusetts Avenue. DMA's newest classroom location is just one component of their strategic partnership formed with Mass Muzik which also includes joint-participation in internship, recruitment & instructor programs.

Mass Muzik is one of the few remaining music stores in Boston that still caters to the club DJ by carrying vinyl records. "We've had so many people ask us about teaching them how to DJ that it was about time we offered classes," said Pat Fontes, Senior Instructor at the DMA and owner at Mass Muzik. "Our downtown Boston location along with the DMA's teaching experience gives students an ideal place to improve their DJ'ing."

A new DJ booth was specially built for the DMA containing two turntables and a mixer, all connected to Mass Muzik's internal sound system. Classes run after the store is closed, typically on weekday nights. Mass Muzik is conveniently located on the MBTA (Green Line (Hynes/ICA) and within walking distance from Newbury Street.
